

## USNWC Cornhole Tournament Rules

- Games are played until a team reaches 21 or more points
  - You do NOT need to win by 2 to win the game
- Time limit: 25 minutes per match
  - Matches still ongoing after time is called will have an additional inning after which the team with the highest score will advance
- Bag in the Hole: 3 points
- Bag on the Board: 1 point
- Bags that have touched or are touching the ground do not count
- Points per inning are determined by the team with the greatest total subtracting the other team's total. (i.e. - Team A scores 5 and Team B scores 3, then Team A will earn 2 points.)
- Bags must be thrown with the pitcher standing anywhere behind the front of their board
- At the beginning of the game, the team who will pitch first is determined by coin toss. The losing team will pitch first.
- For all other innings, the team that scores in the previous inning will pitch first in the following inning. Each team member will alternate throwing until all bags have been tossed. The score for the inning is determined after all bags are thrown. If no points are scored, the team that pitched first in the previous inning will do so in the next.
- After a game is completed, please report back to the registration table to inform the tourney manager of the result.
- \*\*\* It is the responsibility of each team to enforce the rules for their games. \*\*\*
- \*\*\* It is the responsibility of each team to be on time for their round. Absence will mean disqualification \*\*\*
- Game times will be determined on competition day
