

Racers,

In response to COVID-19 guidance from public officials, the Whitewater Center has decided to postpone the Whole Enchilada until further notice. You will receive a follow-up email once a new date is selected and the race is rescheduled. We are offering three options for registered racers:

- Option 1: If you plan to participate in the Whitewater Triathlon on the new TBD date, no further action is required. You will receive an email once the race is rescheduled.
- Option 2: You may transfer 100% of the Whitewater Triathlon registration fees to a future Whitewater Race Series event. The alternate event needs to be of equal or lesser value.
- Option 3: While we'd love to have you race with us, if neither of the above options are suitable, we will offer a full refund of registration fees. Please allow 10-14 days for refunds to process and post to your original method of payment.

Once a new date is announced, these options will remain available for 30 days to allow racers time to select.

If you would like to select option 2 or 3 now, please reply to this email to apply your registration fee credit to another race -or- to request a refund. Within the response for option 2, please specify which Whitewater Race Series event you would like to participate in.

Normal operations and trails remain open at the Whitewater Center; As always, trail access is weather dependent. Thanks so much for being a part of the Whitewater Race Series and we hope to see you on the trails soon.
